Textured Floral Card for Colour INKspiration Colour Challenge

Here is what I will be using ... with options if you don't have these supplies.

Abundant Beauty Decorative Masks (162331), but if you don't have them, I will also show you the same card created using stamps. So pull out a floral stamp set that has two or three large flowers that you can either die cut or fussy cut, plus a couple of leaves. They can be attached to the flowers or separate. Sponge Daubers will be required for shading.

I will also be using a **background mask/stencil** and **embossing paste**, but you can use a mask/stencil and ink to create a similar effect. So have a mask/stencil, embossing paste and spreading tool, or blending brushes, sponge daubers and ink on hand.

You don't have to add a sentiment but I will be using "Love You" from the **Love For You dies (160403)** and die cutting from White Card using Adhesive Sheet on the back. (. If you don't have this die set, no problems, you can use a smallish sentiment which you can just stamp and die cut. Maybe 4-5 cm long, one or two lines (that is 1 1/2" to 2"). We will pop it up on dimensionals.

Inks - I would love for you to use the Colour INKspiration colour challenge colours and maybe pop your card up in the group afterwards if you are using Stampin' Up! product. If you don't have the exact colours, use something close.

Berry Burst Classic Stampin' Pad (147143) (maybe the retired Rich Razzleberry)

Poppy Parade Classic Stampin' Pad (14705) (any Red)

Pool Party Classic Stampin' Pad (147107) (a light blue)

Crumb Cake Classic Stampin' Pad (147116) (light brown)

I will also be using Versamark and white embossing powder, but this is a totally optional step

Linen Thread and some **adhesive embellishments** to suite the challenge colours.

The card is created in landscape mode.

Card/Paper - Metric: For A4 Cardstock

Basic White thick folded card - 21cm x 14.8cm, folded in half to measure 14.8cm x 10.5cm

Basic White card - 14.8cm x 10.5cm, 14.8cm x 8cm, 14cm x 9.7cm (for inside)
